

Canada's Strong Dollar

Can Take You Further Than You Think.

Yes, we provide the finest quality Accubuilt vehicles; but it's our unfaltering dedication to service that has allowed us to earn the honour of being one of Accubuilt's largest dealers in North America. Now with the strong Canadian dollar, you can upgrade your fleet for a lot less than you think.

*We serve you well so you can serve your families well
- it's Howard Distributors' winning formula.*
